Attorney's Docket No.: 15609-011001 / 2003P00416 US

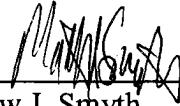

REMARKS

Various amendment have been made to the specification to correct typographical errors or to correct discrepancies between the specification and the figures. Support for the amendments is clear from the context of the amendments themselves and from the figures—in particular the figures that correspond to the corrected portions of the specification. Accordingly, no new matter has been added. Applicants request that the amendments be applied.

This Amendment is accompanied by a Response to Notice of Allowance and Comments on Examiner's Reasons for Allowance, an Issue Fee Transmittal and Publication and Issue fees. No other fees are believed due in connection with this submission. Please apply any other charges or credits to Deposit Account No. 06-1050.

Respectfully submitted,

Date: December 13, 2007
